

ATTENTION ALASKA TRAPPERS

NORTH AMERICAN FUR AUCTIONS IS PLEASED TO ANNOUNCE
THE ADDITION OF JOHN ZULEGER TO OUR FAMILY OF FUR AGENTS.

Due to the immense area of Alaska, and in response to our growing number of shippers, we felt the necessity to add another collector in Alaska. Working closely with Abby Green—our agent in Wasilla—John will operate a collection facility in Fairbanks to service the interior of Alaska.

John is a member of the Alaska Trappers Association, the Wisconsin Trappers Association and the NRA. He is an active trapper who has trapped the Tanna Flats of Alaska for several years and lives in Fairbanks.

The depot will offer advances on all fur shipped, up-to-date market information, trapping and fur handling information, sealing services, scheduled pickups and drop offs and prompt shipping to NAFA's auction facility.

Please welcome John as our newest collector.
