## Black NAFA Anniversary Lots Cap Another Great Auction Day!

Day 3 of NAFA's 2013 winter auction began with an extraordinary collection of over 340,000 Mahogany male North American and International mink that, once again, generated extremely active bidding from a crowded auction room of buyers. In the afternoon, NAFA's world renowned collection of Black male mink, of 600,000 pelts, continued to sell under strong competition at historic levels. However, without doubt, one of the highlights of the day was the offering of five spectacular Black NAFA Anniversary lots, whose sale was a spectacle in itself, and which sold at prices ranging from \$1,700 to \$3,600 per pelt. As the day concluded at NAFA, both buyers and consignors left the building feeling that Day 3 of the auction had been one to remember especially after viewing the Black NAFA 10th Anniversary fashion show where NAFA presented both current fur fashions from today's most sought after designers as well as 10 years of spectacular Black NAFA garments.

Buying was dominated by China, with solid support from Greece and Russia.
