## Black NAFA Anniversary Lots Continue to Captivate Auction Room on Day Four of Mink Sale

NAFA's stellar collection of over 612,000 Black NAFA females kicked off Day Four of NAFA's winter 2013 auction. As in past days, the auction room was packed full of enthusiastic buyers who, once again, drove prices to up to new high levels during a morning of intense and competitive bidding. Buying fever peaked in the morning when buyers vied to out-bid one another for the magnificent and much sought after Black NAFA Anniversary Lots of Black NAFA female mink. In the end, the Anniversary Lots sold for between \$2,200 to \$2,900 per pelt. As expected, Korea was the largest buyer of Black female mink.

The mink sale concluded with NAFA's global collection of 314,000 Mahogany females. Once again, fierce and energetic bidding was the norm as everything sold 100% at advancing price levels. Hong Kong/China was the biggest buyer of this variety of female mink.
