## TREMENDOUS CONCLUSION TO NAFA MINK SALE AS PASTEL PRICES SOAR

NAFA's 2013 Winter Mink auction came to a terrific conclusion on Day Five as the prices for Pastel mink rose sharply amid fervent bidding in the auction room. Four full days of enthusiastic bidding for the world's highest quality mink didn't deter the buyers from raising their hands frequently, and with determination, to buy NAFA's collection of Pastel male and female mink. Buying was, once again, dominated by Hong Kong/China.

As the mink sale drew to a close, buyers commended NAFA for putting together such a successful sale as well as an amazing collection of mink.

NAFA wishes to thank all those who came to our 2013 winter mink auction and contributed to making it such a success. It was certainly an auction to remember!
