Strong Prices Continue at NAFA's Spring Auction

Day Four of NAFA's Spring Auction featured its outstanding collection of Black NAFA male mink, which sold 100% at firm prices compared to the most recent North American auction; while Demi/Wild male mink was firm to previously established April levels. Mahogany Females advanced, upwards of 5% under strong competition. Energetic bidding was the norm as the number of registered buyers once again increased, bringing the total number to 700.

Greece participated strongly in today's mink sale, with strong support from Hong Kong/China.
