Fashion Trade Continues to Dominate Strong Coyote Sale

NAFA opened its May sale with a large collection of taxidermy articles, which sold very well.

The highlight of the day, however, was an offering of close to 100,000 Coyotes which sold at firm to advancing prices for all better sections. All major trimming markets competed aggressively, and the popularity of this item was demonstrated once again. It's obvious that this article maintains its status for all major fashion trim brands.

Red Fox results were somewhat mixed, selling 75%, with good support for both the better qualities and the secondary types, while the middle remains partially unsold.

Top Lots

The Top Lot of Coyote was purchased by Rebellato Graziano S.A.S. of Italy for \$500.

The Top Lot of Red Fox was purchased by Naoum Ditsios for Dita Furs Papageorgiadou Afrodita of Kastoria, Greece for \$54.
