

FEBRUARY 2018
AUCTION PACKAGE

01/15/2018

PRESIDENT'S MESSAGE

Friends and Colleagues,

With the new auction season kicking off, I am extremely pleased to share with you some very exciting news about the future of the North American mink industry.

We are very excited with the prospect of offering a consolidated collection of North American mink, along with an exceptional collection of European mink and fox and our wide assortment of wild fur, all under one roof for the first time.

To date we are proud to have collected most of the consignments from former ALC shippers. We will offer over 4 million of the world's top quality mink at our February auction, including 1,000,000 high quality North American Black mink.

In addition, as you may already know, we have made some grading and catalogue enhancements to help better explain our assortment, and to offer larger strings for our buyers. The detailed Order of Sale and the quantities will follow in the coming weeks.

You will also find attached a Rancher Group Listing, which provides details of our rancher groups.

On behalf of the entire team at NAFA, we would like to welcome you to Toronto in February, and we hope you will join us in celebrating this momentous auction.

Sincerely,

Michael D. Mengar, President and CEO

NAFA'S 2018 GRADING & CATALOGING REVISIONS

NAFA is pleased to announce that we will be enhancing our grading and cataloging descriptions to better explain our assortment and the distinguishing features associated with the Group Names that are in our catalogues.

NAP REDUCTION

Changes have been made to the nap standards to reduce the number of nap categories from eight to five. This has been done in an effort to increase string size and reduce show lots.

The new nap standards will now constitute the following:

NAP	CATALOGUE DESCRIPTION / 目录描述
(XSN) EXTRA SHORT NAP	1X
(SN) SHORT NAP	1
(SMN) SHORT-MEDIUM NAP	2
(MN) MEDIUM NAP	3
(LN) LONG NAP	4

WEIGHT CODES

As of 2018 we will no longer be publishing a “+” to indicate heavy weight mink.

UNIFORM CATALOGUE SEQUENCING

We are eliminating the Five Star, Four Star and Three Star grades. Going forward, all of our stated grades will be termed as NAFA Gold, NAFA Silver and NAFA Bronze. Each variety will now be catalogued by nap, and will sell beginning with nap 4, and ending with nap 1/1x.

If you have any questions about these updates, please contact your NAFA agent.
