NAFA MINK SALE MOST SUCCESSFUL IN NORTH AMERICAN HISTORY

New Black NAFA enhanced label attracts high prices in auction room

Over one thousand people gathered in Toronto at the NAFA building over the last three days, for what was probably the greatest auction in North American history. NAFA's superior collections of Black, Mahogany, and Demi/Wild females attracted exceptionally high prices on day three of the mink sale. All quantities sold 100%.

The Top Lot of Black NAFA – Female was purchased by Sued Mod Furs of Istanbul, Turkey for \$825.00 USD, produced by Patrick Fur Farm.

Today, Korea was the principal buyer of Black NAFA females, with strong support from Hong Kong/China and Russia. Overall, Hong Kong/China was the highest volume purchaser at the auction.

Enhanced Label

Black NAFA's newly enhanced label, highlighting the names of our premium producers, has already proven to be effective. Top international buyers recognized the best collections in the business and were willing to pay top prices for the prestigious enhanced labeled goods.
