## NAFA's Most Successful Sale Concludes with Advancing Wild Fur Prices

### *Northern Lights Promotional Campaign Proves to be Successful*

NAFA's wild fur consignors are reaping the rewards from our international wild fur promotional efforts as buyers competed heavily today for most articles, pushing prices to high levels.

Today's sale concluded with the following items:

- Fisher reached new highs, selling to the world's high fashion industry
- Lynx Cats also reached new highs, selling under strong competition to Russia, Ukraine, Greece and Italy
- Lynx sold at advancing prices over last year
- Coyotes sold at high prices with the Canadian trimming trade dominating the better sections
- Red Fox sold at sharply increased prices with strong competition from all major markets

All other articles sold 100 percent at advancing prices. Our next sale is in May where we will offer 2.7 million mink. In Wild Fur, we will offer approximately 500,000 Raccoons, 400,000 Musquash and 100,000 Beavers.
