STRONG BREEDER SALE HIGHLIGHTS DAY TWO OF NAFA SALE

Day two of NAFA's May auction began with a strong sale of 500,000 breeders, which sold at firm to advancing prices compared to recent levels. The overall sale of Mutation Mink was very strong and saw advancing prices for Blue Iris Mink. There was some resistance to the extremely high levels achieved in April on White and Silverblue Males.

Hong Kong/China was the largest buyer with some support from Greece, Russia and Korea.
