

WILD FUR

AMERICAN SHIPPING INFORMATION

1. Fur parcels should be secure and well identified, with the shipper's name, address and account number. Please number each package (i.e. 1 of 3, 2 of 3 etc.). The quantity and type of pelts should be clearly marked on the tag on the outside of each package. Please mark the total number of bags on your receipt.
2. Please print clearly on tags and receipts. Your account number and name are critical to the receiving of your furs. First time shippers should write "New" in the account number box.
3. Ask at the depot or the driver for additional bags or tags if needed.
4. Due to limited quantities of fur late in the season, there will be NO pick-up for late season auctions. Please ship directly to your depot.
5. All fur must be scraped and completely dry prior to shipping with all nails and staples removed from pelts.
6. Never roll or fold beaver pelts. Pack flat, fur to fur and leather to leather.
7. Do not ship green or frozen castoreum. Dry properly and ship in cardboard or burlap bags, with your name, address and account number written on the outside.
8. Due to increased regulations, we no longer handle bear gall bladders or claws.
9. Please keep your fur pick-up schedule for the new season in a safe place for future reference

AMERICAN SHIPPING INFORMATION

UPS, MAIL OR TRUCK: You may ship directly to one of our convenient depot locations, ship directly to our office in Stoughton, WI or look on our website at www.nafa.ca. Simply bag or box your fur, following the above instructions and ship by UPS, mail or truck.

SCHEDULED PICK-UP SERVICE: As a service to our customers, many of our receiving agents run a scheduled pick-up service prior to every sale. For information on pick-up locations, call your local agent or contact our office in Stoughton, WI. To assist our receiving agents at the time of pick-up, please follow these instructions:

- Please have fur bagged or boxed, tagged and ready to put on the truck.
- Shipping bags and tags will be available at time of pick-up.
- Receipts will be issued at the time of pick-up, on a subject-to-count basis. Shippers will be notified of any discrepancies in the count.
- Please use your preprinted receipts and bag tags whenever possible, otherwise have your receipt filled out and ready to hand to the collector.
- If you cannot make it to pick-up stops, please ship fur direct to your agent or to our office in Stoughton, WI prior to Last Receiving Dates.
- Weather conditions may cause a delay in schedule, please be patient.
- Minnesota shippers - Please have available at time of pick-up: Registration numbers for Fisher, Marten, Otter and Bobcat; individual names and addresses with trapping licence numbers and reserve or coded territory numbers where necessary.

SHIPPING C.I.T.E.S. ARTICLES (Bobcat, Otter, Lynx): Pelts requiring C.I.T.E.S. tags are easily shipped, provided a few special instructions are followed:

- All pelts must be correctly tagged with the C.I.T.E.S. tag through the pelt and properly sealed.
- Improperly tagged pelts or untagged pelts will be immediately returned to the shipper or may be subject to seizure.
- If you require information on shipping C.I.T.E.S. articles or obtaining C.I.T.E.S. permits, please contact your local agent or our office in Stoughton, WI.

SHIPPING TAGS AND BAGS: Customers requiring shipping tags and bags, please contact your local agent or our office in Stoughton, WI. The requested shipping material will be sent to you.

PELT HANDLING INFORMATION: Please contact your local agent or our Stoughton, WI office for pelt handling information or a copy of our pelt handling manual.

MARKET INFORMATION: Please contact one of our offices for up-to-date market information and auction results, or check our website at www.nafa.ca.
